

## Mt. Miguel PTA Schedules Induction At 'Open House'

**PRESIDENTS' CONFERENCE**—Mrs. Dwight Putnam, right, recently elected president of Mt. Miguel High School PTA, and Mrs. Robert R. Graham, outgoing president, take a break while comparing notes at the foot of the high school's landmark, the huge carved wood statue, "The Matador." Mrs. Putnam was elected to her new office in March. She and other officers will be installed Thursday of this week at the school's auditorium.

Mrs. Dwight Putnam, recently elected president, will head the list of officers to be installed Thursday of this week, 7 p.m., at Mt. Miguel High School PTA ceremonies in the school's cafeteria. The installation ceremonies will be held in conjunction with an "Open House" at the school in recognition of Public Schools Week.

Mrs. John Thompson, president of the Foothills PTA Secondary Council, will install the following officers for the 1959-60 term: Mrs. Putnam, president; Mrs. Alf Holmberg, first vice president (program chairman); Mrs. Howard Gurling, second vice president (membership); Mrs. George Cramer, third vice president (parent education); Mrs. Bert Cosby, fourth vice president (hospitality); Mrs. Robert Honn, fifth vice president (ways and means); Mrs. Elwyn Middleton, recording secretary; Mrs. Cliff Gomes, treasurer; Paul E. Myers, auditor; Mrs. Charles Jackson, historian; and Mrs. Robert Graham, outgoing president, parliamentarian. Associated Student Body representative will be Carolyn Wardell.

Mrs. Graham encourages parents and friends to be sure to include in their visit the students' rooms and a stop by the gymnasium where a physical education demonstration will be held continuously from 7:30 to 9 p.m.

## Band Review Trophy Won By Matadors

Mt. Miguel High School came through with flying colors Saturday, winning the Marine Trophy in the 11th annual Maytime Band Review at National City.

Karen Mickelson, Mt. Miguel band's drum major, was awarded second place. In addition, Miguel's Cadence and Cape Corps took second and first in drill and pom-pom competition, respectively.

The Matadors won the Sweepstakes Award at last year's review. Azusa, California, High School took the top award this year.

The Maytime Band Review, Southern California-wide, is sponsored yearly by the National Federation of Music Clubs. Eighty-three bands were entered in the competition this year.

The Scouts of San Diego, Pyramid 32, of the Masons, have chosen to visit Mt. Miguel High School during the Public Schools Week "Open House." The Associated Student Body will sell refreshments throughout the evening.

Mrs. Cosby, health chairman of the Mt. Miguel PTA, announces polo shots will be given May 14 at the high school in the cafeteria, 4 to 9 p.m. First, second or third shots may be obtained. Doctors are recommending that fourth shots be taken if it has been over one year since the third one.

## Street Job Costs Vary. Water Blamed

ment of Mercury Drive in Lemon Grove is going to cost property owners \$18 per front foot, compared with only \$12 per front foot for the school district, which occupies one-half of the block.

This information was given Tuesday to the county Board of Supervisors, who questioned the wide spread in assessments, before the board approved the project.

J. F. Mulgrew, assistant county road surveyor, said the high cost of the improvement was due to the necessity of laying a six-inch water line, for which the school district was only being charged 10 percent, because it already had adequate water service.

Mulgrew said the entire project would cost \$19,561. The road is 650 feet in length. Seventy-two percent of the property owners along the street is in favor of going ahead with the work.

Supervisor David W. Bird brought out that half the property owners were represented by the school district.

## Grove Businessman Dies In Hospital

Fred Hamber, owner of Silver Stores, a yardage firm at 7809 Broadway, died Saturday at Mercy Hospital. He lived at 4960 Rockford Drive in San Diego.

He is survived by his wife, Herta, and a son, Harry E.

## Planners OK La Presa Zoning

### County Planning Commission Approves 1,800 Acres, But Area Needs Supervisors OK

SAN DIEGO (CNS)—A fourth proposal for zoning approximately 1,800 acres in the La Presa area was approved Friday by the county Planning Commission, to be forwarded this week for action by the county Board of Supervisors.

The commission's suggested zoning is the same as that in the plan returned to the commission by supervisors in March, after several groups of property owners entered protests.

At Friday's session, the commission advised a property owner, who had protested to supervisors, to ask at some later date for a zone change. Mrs. Dorothea Gudmundson asked for zoning to permit a trailer park on 12 acres owned by her and her husband.

The Gudmundson land is suggested for single family residences. Several other protests were made in the same area. Some owners asked for apartment house zoning but were against zoning for trailers, while the Gudmundsons didn't want the apartment house zoning.

#### CHANGE NEED ADMITTED

Commission Chairman C. J. Martin admitted that some changes may be needed in zoning in the area, located south of Jamacha Boulevard and east of La Presa Street, but added, "Let's not hold up the whole program. You owners can petition later for changes."

Zoning in La Presa has been under study for almost a year. The commission held a public hearing December 19 on the plan

proposed as a result of the planning staff's studies. The hearing was continued to January 23 to give consideration to the protests and suggestions of property owners. A third plan was worked out after the January 23 meeting and this was approved by the commission on February 13.

Supervisors held a public hearing March 24, when requests were made for commercial zoning and apartment house zoning for an area around Jamacha Road and Sweetwater Road, for an area on Grand Avenue, between San Diego and San Carlos streets and for a third area north of Jamacha Boulevard, between La Presa and Pecos streets. The change for the land owned around the Gudmundsons' land was asked at the same time.

#### NO CHANGE RECOMMENDED

Supervisors sent these requests back to the Planning Commission for study. At Friday's session the commission approved a letter to the board suggesting that none of the changes be granted.

Supervisors will now reconsider the final plan. They have the power to over-ride the recommendations of the Planning Commission.

## Sure Winner Friday At LG Free Drawing

A top prize of \$500 will definitely be given away Friday night at the Lemon Grove merchants' and Boosters Club's last Jackpot Drawing. Tickets will be drawn until someone takes the prizes, Earl Nelson, Boosters Club president, said Tuesday. Drawings will be discontinued after Friday, Nelson said.

Three other prizes will also be awarded at the final drawing, to be held at 7 o'clock at the rear of Dial Drugs, 7961 Broadway. They are a \$300 prize and two \$200 prizes. Lemon Grove merchants distribute free tickets for the drawings.

Mrs. Mary Ouellette of 7325 Beryl Street, Lemon Grove, would have been given \$100 last Friday had she attended the drawing.

Consolation awards last week were given to: Mrs. Gloria Haygood, 7415 Daytona Street, Lemon Grove, \$10; Mrs. Selma Olsen, 5596 Lake Murray Boulevard, La Mesa, \$10; Mrs. W. C. Bouchey, 1740 Colfax Street, Lemon Grove, \$5; Mrs. L. W. Wigfield, 3740 Bancroft Street, Spring Valley, \$5; Mrs. Zora Vanalst, 2873 Citronella Street, Lemon Grove, \$3; and Mrs. R. A. Snell, 8242 Mt. Vernon Street, Lemon Grove, \$2.

Award of the "Las Vegas Holiday for Two" prize will also be made Friday night by the Lemon Grove Chamber of Commerce.

The couple getting the award will be announced directly after the Boosters Club announces the recipient of the weekly jackpot.

There will be an award of \$300 in spending money and 13 merchandise gifts from local merchants—all going to the lucky couple.

Jesse Lee, Chamber of Commerce manager-secretary, and a hostess from Western Airlines, will ride through Lemon Grove all day Friday dispersing coupons for the award.

Award winners will travel to Las Vegas by Western Airlines and stay at Wilbur Clark's Desert Inn. The Chamber project is to provide additional funds for its operation.

## Youngster Injured Crossing Street

Twelve-year-old Robert Glen White of 2312 Lawton Drive, received head injuries Saturday when he was knocked down by a pickup truck while he and two friends were crossing the intersection at Broadway and Main street.

The youngster and his playmates were crossing the intersection with their bicycles when Robert was struck down about 5:30 p.m. by the truck driven by Vernon Swift, 29, of 3281 Buena Vista Street. Robert received a mild concussion and bruises. He was taken to Grossmont Hospital and released Tuesday. He is the son of Mr. and Mrs. Glen White.

## High School District Wants To Nail Down Junior College Site

SAN DIEGO (CNS) — Grossmont Union High School District would like to have 143 acres of county-owned land for use as a junior college site, the county Board of Supervisors was informed Tuesday.

T. M. Heggland, chief administrative officer for the county, said the high school district had asked that 143 acres at Edgemoor Farm in Santee be reserved

for it, pending the formation of a junior high school district.

Several other attempts to form a junior college district within the Grossmont district have failed to materialize. Heggland said the district's letter admitted that it probably would not be able to pay for the land it wanted for a long time.

A request from the Santee Union School District was also received, asking for from three to five acres in the vicinity of Cottonwood and Mission Grove Road.

Supervisors asked Heggland to consolidate the requests with the study he is making of the surplus land that the county owns. He is to report back if the areas in question can be regarded as in excess of county needs.

The event is sponsored by this newspaper and the Boosters Club (merchants division of the Chamber of Commerce). Local business firms have scoured wholesale markets for several weeks acquiring goods and merchandise you want at the prices you want to pay to assure the success of this sale.

Read the Value Days part of this newspaper . . . then come to Lemon Grove's business section and shop. There is plenty of parking, and plenty of bargains, too.

Supervisors asked Heggland to consolidate the requests with the study he is making of the surplus land that the county owns. He is to report back if the areas in question can be regarded as in excess of county needs.

Supervisors asked Heggland to consolidate the requests with the study he is making of the surplus land that the county owns. He is to report back if the areas in question can be regarded as in excess of county needs.

## May Save 25 Percent On School Insurance

Lemon Grove Elementary School District insurance rates may be cut more than 25 percent as a result of a study being made by administration and trustees of the district, it was revealed Monday night at the regular school board meeting. It would save district taxpayers more than \$4,500 a year.

Paul Carter of Carter and Higgins, school insurance specialists, said his firm would insure the district's two and one-half million dollars worth of burnable property for 57 cents per \$100 valuation. He said the insurance would cover actual replacement cost, rather than a depreciated value the district now has listed.

The district's fire insurance coverage has been carried by The Insurance Company of North America through John Dail, present assistant to State Treasurer Bert Betts, who is also local broker-of-record. (A broker-of-record is the person designated by the district to place its entire insurance program. He is usually required to place part of it with other local brokers.)

Carter said the policies now covering the district's property insure only the depreciated value and should a disaster occur the district would be out-of-pocket the difference between the insured value and the replacement cost. Carter estimated this at "about 10 percent."

#### 5 CENT REDUCTION

The Insurance Company of North America announced a reduction in rates from 77 cents to 72 cents at a board meeting two weeks ago after the insurance started. At that time the insurers said the reduction was the result of having found an error in the insurance rate compilation. Last week they reduced the rate still further to 64.7 cents.

Carter and Higgins, in addition to offering the lower rate, agreed to appraise the district's properties and issue a warranty to guarantee replacement cost, regardless of any discrepancy between the appraisal and replacement.

Superintendent Byron Netzley reported to the board on the Federal Support Bill (HR 22) by which \$25 in federal funds goes to the district through the state Department of Education for every school age child in the district.

Netzley explained that pay-

## Business Owners Get Zone Change

SAN DIEGO (CNS) — Commercial zoning for 2.2 acres between Highway 94 and Broadway, Lemon Grove, was approved Friday by the County Planning Commission, despite a protest that traffic hazards in the area would be increased.

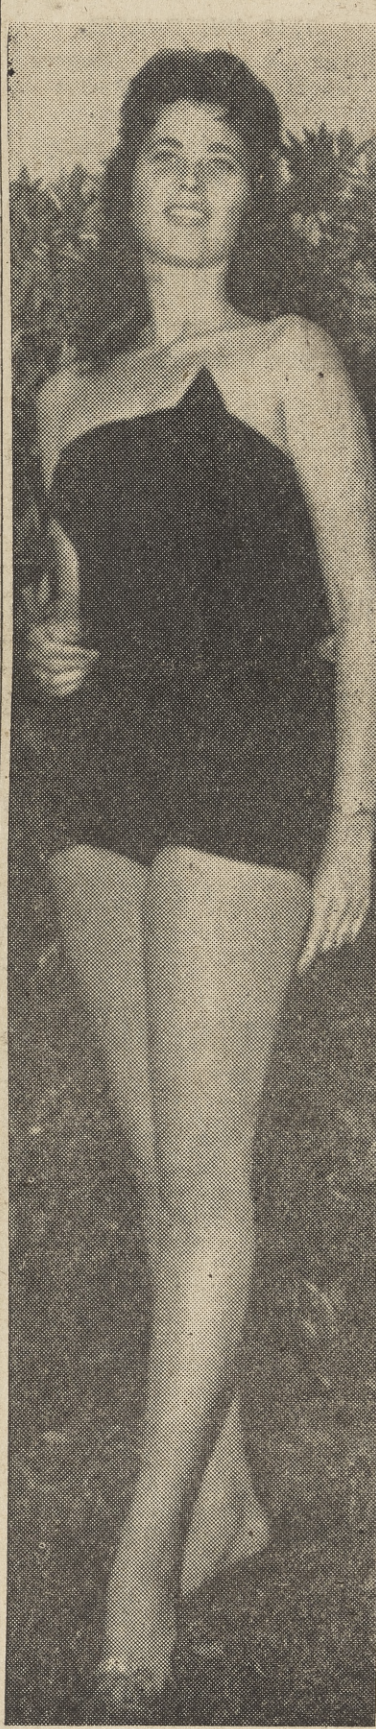

The request for the zone change was made by a group of five property owners, headed by Carlos Cobos, owner of La Mesa Landscaping Co., Inc., 8488 Broadway.

Robert Goodbody protested the change, saying that "not one hour of one day goes by now without close calls" so far as accidents go. He said the commercial zoning would increase Cobos' business and bring "more and more trucking."

Cobos said he was asking for the one change only so he could build an office. Another who spoke for the rezoning was Stanley Perczynski, who said the area was no longer suitable for residences and that zoning it commercial would not increase the number of "hotrods" using the streets.

The commission's vote for the change was unanimous.

## Cutee Doree

## The Dimmer View

by MAX GOODWIN

An interesting booklet published by the Public Relations Advisory Council of the California Teachers Association takes a good look at student behavior and the public relations effect resulting therefrom.

Starting from the principle that a school is often judged by its worst student performers and that schools are criticized for failure to enforce reasonable discipline standards, the publishers come up with some cogent recommendations.

They state that public education is not an absolute right despite California's strict compulsory education laws. The privilege of education, they say, may be denied those who fail to perform duties required by school attendance.

While the basic aim of schools is to improve school effectiveness by aiding pupils facing difficulties in learning or behavior, there is a responsibility to protect the learning rights of the majority by eliminating those whose conduct defies all efforts toward correction and persistently consumes a disproportionate amount of the teacher's time, they aver.

School boards and administrators have appeared to approach this problem with considerable timidity in the past because of public reaction to a strong, firm position on discipline.

Correction and even expulsion of pupils is necessary, the council agrees, but the policy by which this is done should be fair, strong, and firm.

One of the first steps, they agree, is to enlighten the district residents as to what the policy is.

All in all their recommendations seem reasonable. It may be the first step in providing answers to those of us who ask why more corrective measures haven't been provided before now.

The theory of positive correction has been resisted in late years, but none has been able to refute the theory that to spare the rod is to spoil the child.

Yet, in a case that seems to deny the need for such concern on the part of the CTA group, there was the case of 10-year-old Bruce Abbott, 8375 Lincoln Ave., in Lemon Grove who playfully threw a stick on his way home from school the other day. It

## LEMON GROVE FAIREST — Doree Radici took top honors Wednesday of this week in the local competition for the "Fairest of the Fair and Miss Con-Tour beauty contest staged at Michael's Steak House.

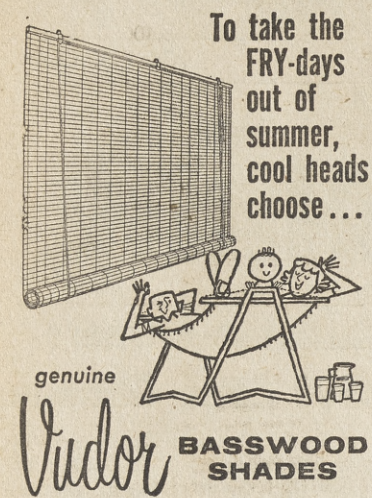

Doree, 17-years-old, was chosen for the top spot over three other contestants at the competition sponsored by the Lemon Grove Kiwanis Club. Other contestants were Lynne Peak, Judy Secor, and LaRoyce Cooper. Doree is a senior at Mt. Miguel High School and is the daughter of Mr. and Mrs. George Radici, 1655 Dupont Drive. She will compete in the countywide finals May 31 where a winner will be chosen to reign over the SD County Fair. Doree is five feet, 7½ inches tall, weighs 130 pounds, and her measurements are 36-25-36.

## Local Group To Sponsor Assembly Attracting 20,000

A four-day assembly of 20,000 themselves of much needed Bible Jehovah's Witnesses for Southern California was announced by Edgar A. Flinn, presiding minister of the Spring Valley-Lemon Grove-La Mesa congregation. He said it will be held at the Del Mar Fairgrounds, June 4-7. Plans were set by members of the local congregation for all to be in attendance at the Bible conference, Flinn said.

The assembly theme is "Awake Ministers."

"During this time of great stress we must be awake to our responsibilities as ministers," Flinn stated. "We look forward to this assembly to better qualify ourselves for the ministry and aid good-will persons to avail

### BANK'S QUARTER DIVIDEND TO BE PAID MAY 1

The First National Trust and Savings Bank of San Diego will pay a regular quarterly dividend of 4½ cents a share on common stock May 1 to shareholders of record April 20, according to Jack W. Koop, manager of the bank's Lemon Grove branch.

This dividend of more than \$200,000, declared on December 17, 1958, is being distributed, prior to the recently authorized two for one stock split, to 1,391 shareholders, said Koop.

## 'Skipper' Newman, 13, Dies Of Cancer

Donald Eugene "Skipper" Newman, 13, died Monday at his home at 7371 North Avenue, following a long fight against cancer. His left leg was amputated three years ago because of the disease and he was not expected to reach his 12th birthday. He clung to life until his 13th which came March 30.

His illness attracted a host of well-wishers who flooded him with cards and letters. One letter came from Mamie Eisenhower, wife of the President.

Donald is survived by his mother, Mrs. Bernice Newman, a telephone company employee. His father, J. C. Newman, is a contractor in Springfield, Missouri. Services were held Wednesday at St. Philip's Episcopal Church in Lemon Grove with Father Philip Bartlett conducting the services. Cremation will follow.

## 4 Babies Born To LG Families

Four new residents were born recently at Grossmont Hospital to Lemon Grove families.

They were: an eight pound, 15 ounce, boy born April 18 to Mr. and Mrs. Charles Pemberton, 3290 North Jersey Avenue; a six pound, 13 ounce, girl born April 19 to the Frank Nunez family of 3607 Olive Street; a seven pound, four ounce, boy also born April 19 to Mr. and Mrs. George Davis of 7495 North Avenue; and a six pound, 14 ounce, girl born April 20 to Mr. and Mrs. Austin Burrows of 8310 Robbie Way.

## Kiwaniannes Slate El Cajon Meeting

The Lemon Grove Kiwaniannes, through the club's telephone chairman, Mrs. Jack S. Tracy, have been notified the next regular meeting will be held Monday evening of next week at eight o'clock, in the home of Mrs. Robert Swenson, 1095 Horizon Hill Road, El Cajon. Members are to meet at 7:30 in front of the Lemon Grove Rexall Drug Store and drive to El Cajon.

The customary brief business session will precede the program. President Mrs. Jack S. Durham will preside.

At the April meeting, held in the home of Mrs. Thayer Crow, the Kiwaniannes performed their annual task of banding Swimming Pool Carnival scrip into packets of 100 while they watched the "Oscar" awards show on television. Refreshments were served.

## 3 LG Students Cited By College

Three students from the Lemon Grove area are included in the San Diego Junior College Dean's List for the fall semester announced last week by Mrs. Margaret D. Olson, dean of students.

A total of 75 full-time day students qualified for the list. To be eligible for the Dean's List, a student must carry 12 or more units and maintain a grade point average of at least 3.5. Mrs. Olson indicated. An all "A" average represents a 4.0 average and an all "B" average represents 3.0.

The Lemon Grove area students are Marguerite G. Johnson, 6761 Central Avenue; Lucille B. Schmeltzer, 2842 Skyline Drive, and George W. Clarke, 5525 Mira Flores Drive, San Diego.

## Lemon Grove Student Becomes Member Of Scholastic Sorority

A student at San Diego State College has been made a member of Alpha Lambda Delta, women's national scholastic honor sorority. She is Barbara Proppe, 18, daughter of Mr. and Mrs. Tassilo Proppe, 1786 El Dora Street. Miss Proppe is a graduate of Mt. Miguel High School.

To be eligible for membership in Alpha Lambda Delta a woman must be a freshman or sophomore with a grade point average of 3.5 or above. An all "A" average is figured as 4.0; an all "B" as 3.0.

The group's purpose is to encourage scholastic achievement among lower division women students. Alpha Lambda Delta members recently acted as guides for campus tours during the California Scholarship Federation convention. They hold an annual banquet with Phi Eta Sigma, men's lower division honorary fraternity.

Dr. Katherine M. Ragen, professor of history, is the group's faculty advisor.

**BETROTHED**—Mr. and Mrs. A. J. Bloom of 2061 Eldora St., Lemon Grove, announce the engagement of their daughter, Nancy Ann, and James W. Coker, son of Mr. and Mrs. J. J. Coker of 1500 Glencoe Drive, Lemon Grove. Miss Bloom is a graduate of Mt. Miguel High School and is now attending San Diego Junior College. Her fiancé is a graduate of Saint Augustine High School and is now attending Murray State College in Oklahoma. The wedding is planned for August 30.

## County Planners Approve Vacation Of Business Alley

SAN DIEGO (CNS)—Vacation of an alley in Lemon Grove was approved Friday by the county Planning Commission to permit expansion of the activities of Spears Ford agency and a service station owned by John B. Gibson.

The alley runs between Massachusetts and Vista avenues, north of Broadway. Its vacation is to be approved finally when easements to Helix Irrigation District and Lemon Grove Sanitation District have been given to protect existing lines in the alley.

Denial of the request was recommended by the commission committee that studied the alley, based on the claim it was needed for commercial purposes.

Jim Spears, agency owner, said he didn't think the committee had even visited the area. A car couldn't be driven down the alley, he declared.

Both Spears and Gibson spoke before the commission, explaining that the widening of Broadway made more room for their businesses necessary. They said they want to fill in the ditch now existing and use the area as part of their operation.

Bill Nothum of the road department, said there was no objection to the alley being improved for public use. Spears replied that he didn't want the public driving right through his business.

Spears and Gibson had agreed not to put any building over the alley if it were vacated, but Deputy County Counsel Robert Berrey explained that the land was the property of the owners, not the county, and the county had only an easement for an alley.

Once that easement was given up, Berrey said, the owners could do whatever they wanted with their own property.

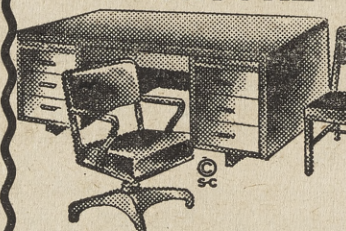

Commissioner Gilbert Ray then made the motion for approving the vacation, once the easements to the utility districts have been granted.

## Junior Women To Attend Rally

Sixteen members of the Lemon Grove Woman's Club Juniors plan to attend the San Diego Woman's Club Juniors District Convention Friday and Saturday of this week at the U. S. Grant Hotel.

Mrs. H. Lee Nottingham, Lemon Grove Juniors' outgoing president, will be part of a panel at the Ways and Means Committee workshop Friday. Mrs. Richard Meads, pianist and singer, will provide the entertainment at the Saturday luncheon. Mrs. Meads will also be the accompanist Friday night at the Awards Banquet in the Palm Room at the hotel.

Members who will attend the convention are: Mmes. Billy Castle, Thomas Cooke, Miss Margaret DeRose, Robert Morrill, Farrel Patton.

Also: Mmes. Warren Peterson, Mrs. Nottingham, Lawrence Sozani, George Teigen, Robert Torenson, Don Allen, Anthony Rosette, Bert Ling, Mrs. Meads, Carl Piepenbrink, and Mrs. Lona Mitchell.

**ENGAGED** — Mr. and Mrs. Rex E. Foster of 3025 Rendonvoo Road, Lemon Grove, announce the engagement of their daughter, Marlene Bernice, to Charles D. Baxter, son of Mr. and Mrs. C. Forrest Baxter of 2925 Buena Vista, Lemon Grove.

Miss Foster is a graduate of San Diego State College where she majored in music and was a member of Sigma Alpha Iota.

Mr. Baxter is a graduate of San Diego State College and served in the United States Air Force.

May 3 has been selected as the wedding date. The wedding will take place in the Lemon Grove Congregational Church with a reception following at Friendship Hall.

## 3 Local Graduates Are At Harvard

Three out of the 45 California students receiving scholarships this year at Harvard College are graduates of the Grossmont Union High School District.

They are Roger C. Moulton, 2283 Whitman Street, San Diego, a Helix High School graduate; James Spackman, 6185 Henderson Drive, La Mesa, a Grossmont High graduate; and Deward Manzer, 736 El Monte Road, El Cajon, also a Grossmont.

Moulton, formerly a music major at Helix and concert master of the Youth Symphony, is majoring in science at Harvard. Jim Spackman, Korean born adopted son of the C. L. Spackmans of La Mesa, is majoring in Korean studies.

Deward Manzer, Grossmont football player, is a physics major. Both Grossmonters are on the dean's list, a scholastic honor.

Miss Sutorus is a senior at Mt. Miguel High School and Mr. Jones is employed in San Diego. They will wed July 31 at Skyline Wesleyan Methodist Church in Lemon Grove.

## Ball Dance Is Set Saturday

The big "Get Acquainted" dance of the Lemon Grove-Spring Valley Pony League will be held Saturday night of this week in the Spring Valley Chamber of Commerce, 9050 Memory Lane. Dancing is scheduled from 9 p.m. until 1 a.m.

Donation per ticket is \$1 and may be purchased from any Pony Leaguer or at the door. There will be door prizes and plenty of refreshments.

Proceeds from the dance will go toward helping to pay for a fence on the Mt. Miguel High School varsity field. The fence is being co-financed by the Pony League, the Lemon Grove Lions Club and the Mt. Miguel Boosters Club.

## Lemon Grove School's Student Council Is Making Arithmetic 'Fun'

When students decide to make work for themselves, it's almost as newsworthy as the man-bites-dog story. This is exactly what is happening at Monterey Heights School where the Student Council is designing, financing, and building a multiplication board for fourth grade students.

The game board will feature multiplication tables on one half and answers on the other. When the user connects the problem with the correct answer, a light and a buzzer will validate the accuracy of the mathematician. Thus the pupils can check their work and enjoy arithmetic at the same time. Science is also involved since the board works with electricity.

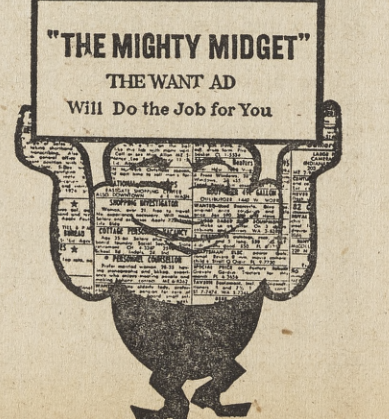

If the venture proves successful and popular, the council, according to Doug Martin, school president, may provide additional funds for construction of several boards for use in all the fourth grades.

## Vista La Mesa PTA To Meet Next Week

The Executive Board of the Vista La Mesa PTA will meet Monday of next week at the home of Mrs. G. W. Jenkins, 7312 Pearson Street, Lemon Grove, at 7:30 p.m.

Discussion for the evening will be concerned with the purchase of a gift by the Vista La Mesa PTA for the Vista La Mesa School, the June luncheon for teachers and board members and the Lemon Grove Swimming Pool Carnival.

☆The Navy's Cdr. Peary planted the "Stars and Stripes" on the North Pole April 6, 1909, marking the first time in the world's history a living person has stood at the top of the world.

## SD County Development Hampered Charges Laid

SAN DIEGO (CNS)—Opponents of the county's planning and zoning regulations affecting divisions of land must get a full opportunity to express their views before existing ordinances are changed, the county Planning Commission decided Friday.

Real estate people, engineers and title insurance company officials have long claimed that present restrictions on land are holding back the county's development. Supervisors have ordered the planning department to work with these groups to change the laws.

At Friday's session of the county Planning Commission, Dr. Willis H. Miller, planning director, said that studies leading to new policies had reached the stage where meetings could be held as supervisors requested. But he also asked the commission to set May 22 as the date for a public hearing on the proposed changes.

### High School Trustee Gives Keynote Talk At GUHS Conference

Mrs. Portia Goode gave the keynote address Saturday of the Grossmont High School annual leadership conference at Camp Palomar. A former PTA president and a member of the Grossmont Union High School District Board of Trustees, Mrs. Goode spoke to student government officers on the subject of leadership.

Grossmonters who are planning their 1959-60 school year, also heard Ed Blessing, San Diego State College Associated Student Body president, during the conference.

Mrs. Goode has worked with students as a member of the Band Parents' Club at Grossmont and as a two-term president of the Grossmont PTA. She emphasizes the importance of having well informed leaders in every phase of government.

John Warburton, GHS principal, presented his annual fireside talk, and Walter Barnett, principal for next year, spoke on his philosophy of education for Grossmont.

John Burdick, present ASB advisor, and Dorothy Arnold, who will hold that position next year, as well as junior counselor Ruth Martinez, also participated.

Miller explained that he thought the matter had to be rushed because supervisors already had started the wheels toward repealing section 548 of the zoning ordinance, which makes it necessary to file a subdivision map or a record of survey when a piece of land is to be divided into more than four parcels.

### REALTORS OPPOSE LAW

This restriction has been the one most opposed by real estate people, who have appeared to protest its effect before both the Planning Commission and supervisors. They point out that a family dividing a 10,000-acre ranch among five children would have to file a subdivision map to do it.

With an ordinance repealing this section already in the works, Miller said "the number and type of lot splits would be large and Commissioners objected, saying that no hearing should be held until all the interested groups had a chance to express their views.

the resulting problems of continuing significance," "unless there was something to take the section's place.

### CHANGE SUPPORT NEEDED

But commissioners decided that the most important thing was to try to get those who want the laws changed in support of any changes that are to be recommended. The commissioners also suggested that supervisors be asked to hold up any repeal of section 548 until the interested groups have had a chance to meet with planning department representatives.

## Hospital Benefit Polo Matches Ready For Saturday Play

by Mrs. John Landesco

The presentation of "Polo-in-the-Foothills" by Grossmont Hospital Women's Auxiliary is growing more popular year by year. If table reservations for the third annual Polo Tournament to be held on Hering Field, Lakeside, Saturday and Sunday, are any indication.

According to Mrs. William H. Dickel, El Cajon, who is in charge of reservations, the advance sale of tables for Sunday has been especially gratifying and Saturday's sales are ahead of last year's at the same time. Wide public patronage is justified as the tournament affords the only opportunity to see polo played in the area this season.

Starting with a women's exhibition match at 1 p.m., each day's program will feature two tournament matches; Sunday's

matches being play-offs for the trophy and the runner-up title. The contenders will be Will Rogers Polo Club (Beverly Hills), Palm Springs, La Jolla, and Lakeside.

A variety of refreshments will be available in booths from vendors at the grounds. Plenty of free parking will be provided, directed by Explorer Troop 315, La Mesa Boy Scouts. Free programs will contain an explanation of polo and a score card. Plays will be announced over a public address system.

General admission tickets, available at the gate at 99 cents each, entitle the holder to a comfortable chair (not bleachers) with full view of the field. Children under 12, accompanied by an adult, will be admitted free. Inquiries about available table reservations should be made with Mrs. Dickel. The four-seat umbrella tables are located on the upper and lower terraces and up to two extra chairs per table may be reserved.

Proceeds will be used to help pay for a \$7,000 Hubbard Tank to be built in the new physical therapy department in Grossmont Hospital. Tickets paid for but returned have been sent to the four high schools in the hospital district for presentation to students. Mrs. E. W. Nystrom, Lakeside, is tournament general chairman; Mrs. L. O. Jensen, Fletcher Hills, is co-chairman; Mrs. Von N. Marshall, La Mesa, is auxiliary president.

## H. Griffen Named President Of County Irrigation Officers

Harry Griffen, Lemon Grove's representative on the Helix Irrigation District Board of Directors, has been elected president for a one year term of the San Diego County Irrigation District Officers Association.

Also elected were Ray Badger of Rancho Santa Fe, vice president, and Maurice Ford, manager of the Escondido Mutual Water District, treasurer.

Griffen succeeds Maj Gen. William Rogers, USMC ret., of Carlsbad.

The Association was formed

in 1929 at the urging of Helix District for the five irrigation districts then in operation. For a number of years the association operated as a work-shop to smooth out financial problems for virtually every water district.

In recent years the group has grown as more water districts and organizations came into being in the county, but the association took on a semi-social atmosphere, Griffen said.

Griffen, who has represented Lemon Grove on the Helix board since 1951, said the group indicated that under his presidency it would return to work-shop style and attack the many problems besetting water districts today.

Meetings, held quarterly, are attended by approximately 200 persons.

### Luncheon Planned By Concert Women

A no-host luncheon will precede the bi-monthly business meeting of area and community officers of the Women's Committee of the Grossmont Community Concert Association on Friday at noon in La Mesa.

Mrs. Ted Arrington will take reservations from members of the Lemon Grove committee who plan to attend. Discussion will be held on final plans for the May 5 Local Artists Concert, May 29 Ballet presentation in Fine Arts Center, La Mesa, and the July 3 installation of newly-elected area and community officers.

## Barbecue Festival Planned By Knights of Columbus Councils

The Executive Committee of the Knights of Columbus Chapter, representing some 12 KC councils in the San Diego and Imperial counties area, have completed plans for the second annual BBQ-Festival to be held May 24 at the University of San Diego campus in Alcala Park, overlooking Mission Bay.

L. J. Ninteman, general chairman of the Executive Committee, announced this year's all-day BBQ-Festival has the dual purpose of widening the community's acquaintance of the exceptional facilities available at the colleges for men and for women that comprise the University of

San Diego, and of raising funds through the festival's activities for the University's Knights of Columbus Memorial Library.

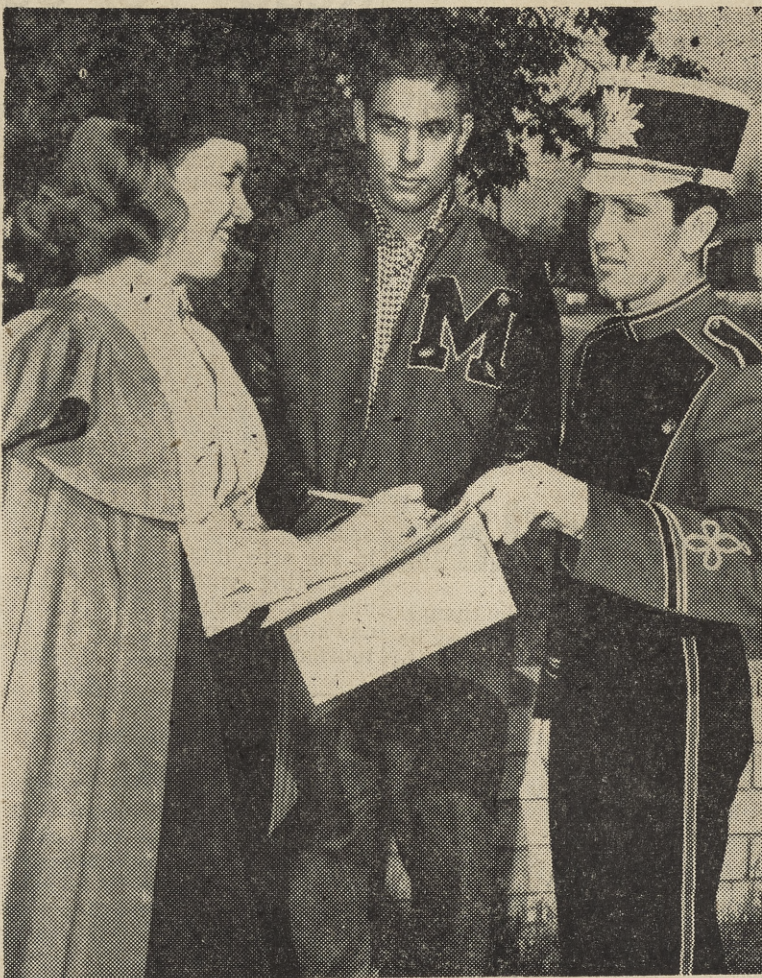

Anticipating an attendance of 20,000 persons, the all-day BBQ-Festival will feature the formal dedication of the newly-completed Arts & Science Building to the people of San Diego Diocese by His Excellency Bishop Buddy and by Governor "Pat" Brown together with other civic and governmental leaders; a "Festival Area" with children's rides, game and prize booths, and a special souvenir-booth featuring university and college pennants and similar merchandise; the appearance

throughout the day of name personalities; and a true western pit barbecue.

Prizes will be distributed during the day climaxed by the awarding of the major prize—the choice of a 1959 4-door sedan, an all-expense tour of Europe for two persons, or a complete pleasure-boat "package," comprising a speedboat, 35-hp motor and trailer. A special prize will be the awarding of a full ton of food, including a side of beef, and packaged and canned foods.

The all-day BBQ-Festival is scheduled to start with a special Mass by His Excellency Bishop Buddy to be conducted at the new Immaculata Basilica on the USD campus at 11 a.m., and the formal dedication of the new Arts & Science building at 12:30 p.m., followed by the scheduled events to run throughout the day and evening.

## Parade To Help Boosters Club's Drive For Athletic Field Lights

**LIGHT BRIGADERS**—Participants in Mt. Miguel High School's "Light Brigade," check results of their campaign to raise funds for installing of lights at the school's athletic field. From left, are Janice Klepper of the Cape Corps, Carl Schroeder of the Lettermen's Club, and Larry Gale, band member.

A parade led by the Mt. Miguel High School award winning band and San Diego disc jockey "Happy" Hare will march from the Lemon Grove Junior High School to the Plaza May 9 to publicize the Mt. Miguel Boosters Club's campaign to raise funds for erecting lights on the school's athletic field. Parade units, after leaving the junior high school at 10 a.m. will march down Kempf Street to Broadway and along Broadway to the Plaza where entertainment will be provided. Among those marching in the

parade will be the Mt. Miguel High School Specialty Corps and Lettermen's Club, the Lemon Grove Little Leaguers, Boy Scouts, Bluebirds, Kay's Dancing Studio and the Gad-Abouts, square dancing group, plus Miss Lemon Grove, Marilyn Sima.

The Gad-Abouts and Kay's Dancing Studio students will provide entertainment in the plaza.

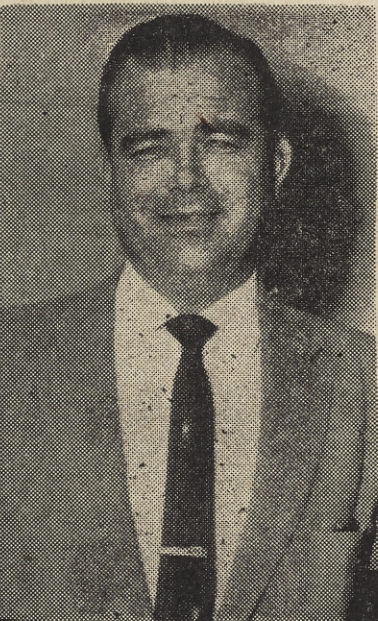

Lemon Grove Chamber of Commerce manager Jess Lee is working with the Boosters Club in organizing the parade.

## LAW OFFICE OPENED ON CAMPO ROAD

Wesley B. Buttermore, a Lemon Grove attorney, and his partner, John Lightner, have opened law offices in Spring Valley at 9026 Campo Road.

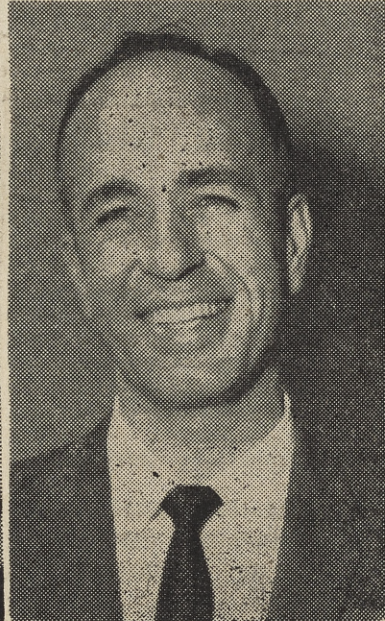

Buttermore and Lightner.

Buttermore, 32, lives in Lemon Grove at 7482 Tweed Street with his wife and child, four-year-old Kathie. He was graduated from

**BUTTERMORE**

The firm will continue their downtown San Diego offices at 2139 Fifth Avenue. Both offices will carry the firm name of

**LIGHTNER**

San Diego State with an AB degree. He acquired his law degree at Stanford Law School in 1952. He is an Air Force veteran.

Lightner, also 32, lives in San Diego. He acquired his AB and LLB degrees at Stanford University and Stanford Law School. The two men founded the law firm in 1954.

Buttermore said the Spring Valley office will be open from 1 to 5 p.m. daily except Saturday when the office will be open from 9 a.m. till noon.

☆ There were 24,830 pedestrians injured crossing intersections with the signal in their favor during 1958 in the United States.

## This Week In The State Assembly

BY SHERIDAN HEGLAND

Member, California Legislature  
"California's systems of public higher education are clawing at each other today in a snarling, spitting, catfight that could mangle the state university and all the state colleges."

This was the lead paragraph in the San Francisco CHRONICLE recently in a featured article.

While exaggerated, the CHRONICLE statement is more true than false.

While FEPC, taxes, minimum wage and labor bills have grabbed the headlines in the state capitol, of greater long run significance are the titanic, under the table battles in higher education.

### COLLEGE SHORTAGE

Resting on the outcome will be the decision as to how hundreds of millions of tax dollars will be spent. Also teetering is whether tens of thousands of California youngsters will ever get any kind of college education at all.

Never has demand for college seats run so far ahead of supply. But all authorities agree, that for the next few years, each year will find it more and more difficult for high school seniors to gain admission to a college or university.

Under the State Scholarship Act, of which I was author in 1955, winners are those who score highest on a standardized test.

Under this act approximately 2,500 youngsters will be attending colleges and universities, private and public, this September. In September, 1955, winners were required to score approximately 1,050. This September, winners on this same test will be those scoring above 1,150 or 1,200.

Just as it is tougher each year to win a scholarship, so it is tougher each year even to gain admission to college.

### BURDEN ON STATE

Private colleges and universities report it is almost impossible to attract sufficient endowments, under present federal taxing policies, to keep pace in expanding facilities.

Thus, the burden each year is being carried more and more by public institutions, junior colleges, state colleges, and the state university.

I am still hopeful that the administration's budget can be revised to provide essential funds this year for the La Jolla campus of the University of California. Additional funds will be required next year for expansion at San Diego State College.

If the battle to provide enough college seats is to be won, the major expansion must take place in junior colleges. Cost to taxpayers per year per student at the University of California is about \$1,300, and at state colleges about \$800. At junior colleges it is \$400. Since youngsters usually live near at home, there are other savings because dormitories are not required.

Parents of elementary school youngsters should be fully aware that unless provision is made now for college expansion, many of their sons and daughters will simply find no room.

### \$10 MILLION BILL

My bill, AB 24, would provide an additional \$10 million per year in state support to help finance construction of badly needed expanded junior college facilities. Eligible for these funds would be Palomar, Oceanside-Carlsbad and San Diego junior colleges.

Also eligible, when and if they are built, will be junior colleges at Grossmont and Sweetwater.

## Kay Jewelers To Lease Store In Shopping Center

Kay Jewelers will locate their 18th store in California at College Grove Shopping Center, now under construction near Lemon Grove, according to an announcement today by Mervin L. Blum, general manager of the center. Blum said that the new store will be located on the mall at College Grove and will have 3,696 square-feet of floor space.

The lease was negotiated by the Phillip Lyon Company of Los Angeles, leasing agent for the center.

Kay Jewelers is considered to be the world's largest credit jewelry chain, with 134 stores from coast to coast. The store at College Grove will carry a full line of brand-name merchandise.

The jewelry chain opened its first California store in 1928. It has 10 stores in Southern California.

Blum said that over 85 percent of available space has been leased at College Grove, scheduled for a mid-1960 opening. When completed, the center will have 80 stores and parking for over 6,000 cars. San Diego County's first regional shopping facility, it is located at College Avenue and Freeway 94 near Lemon Grove.

# Center To Draw From Area's 34,000 Families, Says General Manager

When the College Grove Shopping Center opens for business in mid-1960, more than 34,000 families initially will buy goods and merchandise at the complex, Mervin L. Blum, general manager for the new center, told the Men's Club Friday.

These families will supply 126,500 customers with nearly \$170 million in annual buying power, he said.

"The impact of the opening of College Grove will be felt among local merchants," Blum said, "but the impact will be lessened and the length of time of the impact shortened in ratio to the amount of aggressive merchandising and upgrading of the business community."

## PROPERTY VALUES TO JUMP

Blum said most local business firms are in an enviable position because "they are already here. Where other regional shopping centers are opened, it is customary for satellite business development to come into being around the periphery of the center. This is the result of the traffic pattern created by the center."

He told members of the club that Lemon Grove business property values would be increased as a result of the center. He indicated that property values was a measuring stick of potential retail volume.

Other facts Blum gave regarding the center were: the 650,000 square feet of buildings would be under roof by the end of the

year; parking will be supplied for 6,000 cars; an outside escalator will carry patrons from one level to the other; 87 percent of all building space is now under lease; a chapel and a meeting hall for community functions will be part of the development; an electric carillon will be a feature; the entire establishment will be air-conditioned; a medical-dental building with adequate parking will be built after the center opens.

## SERVE 350,000 FAMILIES

Blum said that much of the center's business would come from a five-minute time zone driving distance. More centers to be opened outside downtown San Diego would change the buying habits of those who frequent Los Angeles stores to a "buy-at-home" pattern. Other patrons will be among 350,900 new families who will be within 20 minutes driving time of the center by 1970.

The Men's Club meets every Friday at noon at Michael's.

Program for this week will be provided by Tom Creamer of Merrill, Lynch Co. He will talk about investments.

# LG Lutheran Church Mother-Daughter Tea Will Be Held Sunday

The Women's Missionary Federation of the Lemon Grove Lutheran Church will give a Mother and Daughter Tea Sunday at 3 p.m. The program will be presented in the sanctuary, and refreshments, weather permitting, will be served in the patio. Mrs. Howard Swanson is program chairman.

The main speaker will be Mrs. Erling Jacobson, wife of the pastor of St. Mark's Lutheran Church in Chula Vista. A toast to daughters will be given by Mrs. Virgil Duea and the response will be given by her daughter, Lois.

Special music will be performed by the Mothers' Chorus, under the direction of Mrs. Kenneth Olson, the Junior Choir girls, directed by Mrs. Wilbur Werner, and the church orchestra, directed by Pastor H. C. Bakken.

Mrs. Frank La Gamma has planned decorations of spring flowers and Maypoles for the serving tables. Other chairmen are Mrs. John Wokuluk, printed programs; Mrs. Chester Hoberg, refreshments; and Mrs. D. F. Ellis, publicity.

No charge will be made, but a free will offering will be received. Proceeds will be sent to the California Lutheran Education Foundation for the proposed California Lutheran College.

Any woman of the church who wishes to attend, but who does not have a daughter, is invited to "adopt" a daughter for the afternoon.

Polack Bros. Circus, one of the last of the big circuses, has been signed to play at the 20th annual Southern California Exposition and County Fair at Del Mar, July 1-23. Exposition dates are June 26 through July 5.

## One-Man Shows Set For Area Art Center

The Foothills Art Association will honor two of its members with a tea May 10 as their one-man shows are opened to the public in the Fine Arts Center, 8055 University, La Mesa.

Miss Octavie Martial, who studied art with Hobson Pittman at Penn State College, will show his influence in her 20 paintings which will be shown. Miss Martial's exhibit will consist of portraits, land and seascapes.

Mrs. Maud Rush of Portrero, who began painting only a few years ago, is largely self-taught and has developed a somewhat primitive style of painting in oils.

Pouring tea will be Mrs. Rush's three daughters, Mmes. J. R. Hargrove, M. C. Fittenmeyer and C. M. Strand, and Miss Suzanne Martial and Mrs. Anne O'Neil.

In addition to these two shows, there will be paintings by other members of the association. The show will remain on exhibit each Saturday and Sunday, 1 to 5 p.m., until June 6.

Studies by The Travelers Insurance Companies show that driver error caused 85 percent of the highway accidents in 1958.

In my book... it's the friendly UNITED STATES NATIONAL BANK MEMBER F.D.I.C.

# Local Pre-School Children's Eye Tests Slated Next Month

The PTA-sponsored vision testing program will get underway next month in the Lemon Grove Spring Valley area. More than 70 pre-school children from three nursery schools were screened last week for vision defects.

Testing is done by PTA volunteers who have received a 10-hour training course from Mrs. Joseph Downing, executive director of the California Chapter, National Society for the Prevention of Blindness. A public health nurse is on duty at all testing sites to supervise and to consult with parents.

Mt. Helix Council PTA, consisting of La Mesa-Spring Valley and Lemon Grove school districts, is one of two areas in San Diego County in which the pilot project is being conducted. The project is sponsored by Ninth District PTA with the assistance and cooperation of the San Diego County Medical Society, the Department of Education and the Department of Public Health.

Youngsters will be screened for gross vision defects to detect those who should be examined by professionals for possible treatment or correction. No child will be referred without a second

screening. Criteria for referral were set up by a professional advisory committee from the Ophthalmological section of the San Diego County Medical Society. Children will be tested on the Snellen E chart with each eye separately and using both eyes together.

In stressing the importance of this testing, Mrs. Downing revealed that children with visual problems often do not realize that they do not see as well as other people.

Testing centers will be operated May 11 through May 14 at Spring Valley Baptist Church, and May 18 through May 21 at Lemon Grove Methodist Church.

Further information may be had by calling Mmes. Paul Nyström, HO 9-1489; J. H. Jensen, HO 9-0955; George Cadwalader, HO 9-6439; J. R. Horner, HO 6-8530.

## Cajon School Head Named

EL CAJON—Dr. Arthur Elliott, assistant superintendent of the Cajon Valley Elementary School District, was appointed acting superintendent by district trustees Monday night.

He succeeds Dr. Jens Hutchens who was discharged last week for an unannounced cause.

Dr. Hutchens wrote a letter to the board saying he had been advised to file suit for \$30,500 to recover the amount due on his contract, which has two years to run. He contends the contract was illegally breached.

## Philatelists To Meet

The La Mesa Philatelic Society's meeting May 13 will be featured by a stamp auction and swap session after a short business session. Activities start at 8 p.m. at the La Mesa clubhouse, 8472 Le Mesa Boulevard.

Visitors will be welcomed and refreshments will be served.

# School Tax Rate To Stay The Same, Says Educator

The local tax rate for construction of school buildings in the Grossmont Union High School District will not go up even if voters, at the election May 19, authorize the sale of \$5 million in bonds and borrowing of \$2,750,000 from the State of California, Robert Burnham, Grossmont High School counselor, told members of the Naranca School PTA in El Cajon recently at a meeting.

Burnham said this year's tax rate of 67 cents per \$100 assessed valuation for the building program is made up of two items: 43 cents for local bonds and 24 cents for repayment of the Helix High School loan. The Helix High loan will be paid off this year and the district will drop the 24 cents, he said.

The district is now limited by the state building program to a 40-45 cent tax rate for repayment of loans, old and new. So the tax rate will be around 40 cents instead of 67 cents, Burnham explained. Burnham stated that the 40-45 cent rate would be continued over a longer period of time if bonds are approved May 19, he said.

Voters are being asked in the election to grant the Board of Trustees of the Grossmont Union High School District authority to finance construction of three new high schools in the district

by 1963. The schools are needed at the rate of one per year to take care of the student population which, by 1963, will be 6,000 more than the present five schools can accommodate.

The present schools in the district are El Cajon Valley, Grossmont, Helix, and Mt. Miguel. El Capitan High will open in September to serve the Lakeside area.

New schools planned are to be built at 4th and Madison streets in El Cajon, on Sweetwater Springs Boulevard in Casa de Oro, and in Santee.

Some of the funds authorized in the May 19 election would also be used to provide needed classrooms at present schools and to purchase property for additional schools to be built when needed after 1963.

In 1962 Cornelius Von Drebbel, a Hollander, invented the first submarine. It was oar propelled and capable of submerging to 15 feet.

# LET US ALL PRAY TOGETHER AS A FAMILY

## UNIVERSAL LANGUAGE-LOVE

Ella Wheeler Wilcox one wrote:

"The wise men ask, 'What language did Christ speak? They cavil, argue, search, and little prove. O Sages, leave your Syriac and your Greek! Christ spoke the universal language-Love.'"

Man cannot long exist without love, self-giving love. To give oneself wholly to another with no thought of return is to arrive at the highest joy life can give. "I have come that you might have life, and have it abundantly," said Jesus. Such abundance is available only to those who learn to speak the universal language of Christ-that is, Love.

## Goodwill Week To Be Marked Here With Activities

National Goodwill Week, May  
3-9, will be observed locally un-  
der the sponsorship of the Good-  
will Industries of San Diego  
County, "to encourage public sup-  
port of programs to help handi-  
capped people help themselves,"  
is announced this week by  
Richard Nelson, international and  
local president of Goodwill In-  
dustries.

Center of the county-wide ob-  
servance will be at the local head-  
quarters of Godwill Industries at  
402 Fifth Avenue.

Mrs. Marge Fleming, local pub-  
lic relations director, has out-  
lined a series of events to be  
held during the week.

On Monday of next week, 8  
a.m., the film "Not Charity but  
a Chance" will be shown at the  
Goodwill Industries.

At 2 p.m. on Tuesday, the  
Goodwill workers — most of  
whom are handicapped — will pre-  
sent a talent show. This will be  
Health, Welfare and Recreation  
Agencies Day.

On Wednesday, at 8:00 in the  
chapel, Mr. and Miss Goodwill  
of 1959 will be given special  
awards, with William La Monte,  
board member of the non-profit  
organization, making the presen-  
tation.

On Thursday, at 11 a.m. a con-  
cert will be presented by the  
Lemon Grove All Church Women's  
Choir.

On Friday, "Salute a Courage,"  
a film depicting the work of  
Goodwill Industries, will be  
shown at 2 p.m.

On Saturday, at 1:30 p.m., the  
Padre Puppeteers will give a  
show under the management of  
Marie Hitchcock and her niece,  
Elaine Engman.

The week is also being observ-  
ed in 120 cities around the world  
which have Goodwill Industries  
units.

## Former Chef Comes Back To Michael's

Paul Hoffman, the chef who  
started with Michael's cafe in  
1951, but who left when the  
former owner sold out, has re-  
turned.

This is good news for tasty  
food lovers, but bad news for the  
diner with his eye on his waist-  
line.

Hoffman has been away from  
Michael's for about six months  
serving as chef at Ye Golden  
Lion cafe.

Michael's proprietors, Joe Pa-  
pitto and Ray Johnston, said  
Hoffman's complete kitchen crew  
has returned with him. They also  
said the kitchen would be com-  
pletely refurbished under Hoff-  
man's direction.

Hoffman and his family live at  
2130 Ensenada Street in Monte-  
rey Heights.

## Essay Awards Go To Five

First place essay awards were  
given Friday night to five stu-  
dents in Lemon Grove schools  
at the sixth annual Masonic Pub-  
lic Schools Week Awards Din-  
ner.

The awards were given by the  
Lemon Grove Masonic Lodge at  
a dinner in the Lemon Grove  
Junior High School cafeteria as  
a feature of the community's ob-  
servance of Public Schools Week,  
April 26 to May 3. Students who  
entered the contest wrote essays  
on "What Public Schools Mean  
To Me." All Lemon Grove schools  
participated.

Award winners, their classes  
and their schools are: Sharon  
Butcher, fourth grade Monterey  
Heights; Katherine White, fifth  
grade, Golden Avenue; Jane  
Bouterious, sixth grade, Vista La  
Mesa; Nancy Chadwick, seventh  
grade, Junior High; and Mary  
Bouterious, eighth grade, Junior  
High.

(A REVIEW photograph taken  
at the awards dinner, delayed  
enroute to Lemon Grove from  
the metal engraving company,  
arrived too late for publication  
in this issue. It will be published  
next week.)

## Last Rites Friday For Henry Price

Funeral services, followed by  
interment at Ft. Rosecrans Na-  
tional Cemetery, will be held Fri-  
day of this week at 9 a.m. in  
Greenwood Mortuary for Lt.  
Cmdr. Henry W. Price (USN  
ret.), 70, of 4138 Charles Street,  
Lemon Grove. Mr. Price died  
Friday at his home of an ap-  
parent heart attack. Lemon  
Grove firemen were summoned  
after Mr. Price suffered the at-  
tack, but were unable to revive  
him with a resuscitator.

He was a former boiler in-  
spector for the 11th Naval District  
and was a veteran of both World  
Wars. He had lived in San Diego  
County 23 years.

Mr. Price, who retired from the  
Navy in 1946, was a liquor store  
manager at the time of his death.  
He was a member of La Mesa  
American Legion Post 282.

He is survived by his wife,  
Margaret; two sons, including  
Harry J. of El Cajon; a daugh-  
ter, Mrs. Adelaide E. Knudsen  
of Chula Vista; a sister, and six  
grandchildren.

## Infant Dies Sunday After Short Illness

Graveside services were held  
Tuesday at Holy Cross Cemetery  
for Steven Young, four-months-  
old son of Mr. and Mrs. Gerry  
Young of 8660 Jamacha Road.  
Steven died Sunday at Helix Hos-  
pital after a two-week illness.

He is survived by his parents  
and a sister. Conrad's Lemon  
Grove Mortuary was in charge  
of funeral arrangements.

**NOTICE TO CREDITORS**  
NO. 62484

## The Dimmer VIEW

(Continued)

hit a moving truck belonging  
to this newspaper.

The next day after school the  
youngster appeared at the door  
of our house and politely asked  
if there was any work he could  
do to make good any damage  
he might have done to the ve-  
hicle. He said he thought the  
idea up himself.

Splendid example of a young  
man disciplining himself to face  
up to his rightful responsibilities.  
This guy will go far.

Arise, citizens of Lemon  
Grove!

We may lose our lemon.  
The lemon is the giant one  
situated on the railroad right of  
way between Main and Imperial  
at the Golden Avenue-Pacific  
Street intersection.

It was used as a display in the  
pre-war years when the County  
Fair was held in Balboa Park  
and lemons was the top industry  
in Lemon Grove. The display  
was brought here, plastered over  
and painted and lighted by civic  
minded citizens.

With the improvement of Im-  
perial just weeks away, the ques-  
tion of what to do with the lemon  
occurred to the San Diego, Ariz-  
ona and Eastern Railroad. It  
also occurred to the county road  
department.

Conflicting reports are given  
by executives of the railroad.

Even county officials differ on  
whether the lemon will have to  
go or only be moved. Oldtimers  
who recall the construction say  
the lemon will fall apart if it is  
moved.

Gather your forces, lovers of  
the lemon, and prepare to do  
battle.

We may have to fight to save  
our town's landmark.

Bill Parker, the former man-  
ager of the local telephone ex-  
change who was just promoted  
to the post of division sales man-  
ager for Pacific Telephone and  
transferred downtown, has done  
an outstanding job the four  
months he served as president  
of the Lemon Grove Chamber  
of Commerce.

The new main-stem chamber  
office; a paid secretary-manager,  
and a monthly chamber of com-  
merce magazine have all come  
into being under his guidance.

It is safe to say that the cham-  
ber has recovered some more of  
its good reputation in the few  
months Parker has served as  
president. This is not to say that  
recent chambers were disreput-  
able for this is not so. Consider-  
able bickering erupted as the  
group emerged from a social  
status several year ago to a busi-  
ness organization. In recent  
years each president and his  
board of directors have improved  
the condition until now the cham-  
ber holds the esteem of nearly  
all in the community.

All this is a prelude to an-  
nouncing that Parker has obtain-  
ed the sanction of the telephone  
company to finish out his year  
as president of the chamber of  
commerce . . . if his directors  
want him.

It is a sure bet they'll ask him  
to stay.

Governor Edmund Brown has  
announced a plan of increased  
workmen's compensation and un-  
employment and disability insur-  
ance benefits. This keeps faith  
with the promises he made dur-  
ing his political campaign last  
year.

Under the proposals unemploy-  
ment pay would go from \$40 to  
\$55 a week and would be extend-  
ed from the present 26 weeks to  
a pay period of 39 weeks, under  
a statewide 6 percent unemploy-  
ment measurement.

He is also supporting an in-  
crease in benefits for on-the-job  
injuries or illness, from \$50 to  
\$65 a week. Permanent ailments  
would allow for payment of  
\$52.50 a week, up from the present  
\$40. Burial benefits would go  
from \$400 to \$600, and death  
benefits would be raised from  
\$15,000 to \$20,500.

## Architects Named For Osteopathic Hospital Here

The San Miguel Osteopathic Hospital Association has acquired the services of Faxon, Gruys and Saylor, architects and engineers, to design the proposed 75-bed Heartlands General Hospital in La Mesa. The firm is recognized as experts in hospital design in Southern California.

Federal and state funds of \$336,000 has been allocated to the hospital group through the Hill-Burton Act and public subscription of \$750,000 is being sought to cover the difference between the cost and funds available.

A five-acre site has been acquired at Howell and Water streets in La Mesa for building the non-profit hospital in what has been termed by the San Miguel Osteopathic Hospital Association as the fifth most crucial hospital-bed shortage area in all of California.

The hospital will contain 42,500 square-feet of one-floor design at a cost of \$19,000 per bed. National average is \$24,000 per bed, according to Dr. John Donovan, president of the board of directors of the association. The maintenance plant will be designed for a 100-bed capacity to provide for increase in the hospital's capacity.

Some of the proposed features the designers will work into the development include piped-in oxygen to every bed, an inter-com system for each patient, stretcher and wheel chair "garages" in the hallways to leave the corridors unobstructed, automatic bed-raising devices, and piped-in television.

Three local osteopathic doctors are taking part in the public subscription fund activity for the hospital that will serve the Spring Valley-Lemon Grove area. They are Drs. Thayer Crow, Jack Tracy and Robert D. Schrock.

## Grove Actor Turns To Journalism

Lemon Grove actor Bob Turnbull has decided a multiple career is better than a single business venture. Besides being engaged in the entertainment industry he has returned to his original love—journalism.

Turnbull has a column entitled "Party-Time" currently on the stands in DIG magazine. DIG is one of the world's most popular youth magazines that reaches many foreign countries. The object of his article is to acquaint young men and women with new ideas in parties, dances, fads, etc. The April issue of DIG features Ricky Nelson on the cover.

He also has a regular weekend job in the sports department of the Los Angeles TIMES as an assistant editor for California college athletic events.

Turnbull was on "The Millionaire" TV show recently that co-starred Venetia Stevenson and Elisabeth Frazier, entitled "Mother Needs a Husband."

## Music Parents Club Nominating Committee To Give Officer Slate

Students from Mount Miguel High will present the musical portion of the program when the Lemon Grove Music Parents Club meets Monday night of next week. Beginning at 7:30, several vocal numbers and a clarinet duet will be presented under the direction of Robert Boucher and Lawrence Christianson. Darlene Anderson, Lemon Grove Junior High student, will entertain members with a baton twirling exhibition.

Following the program, the nominating committee will present a slate of officers for next year. Following nominations from the floor, officers for 1959-60 will be elected. Mrs. H. L. Hensley will preside during the business meeting. Refreshments will be served at the close of the meeting.

Club members are sponsoring, by popular demand, a second Hollywood excursion. The bus trip, May 29, will leave here at 7 a.m. with the return scheduled for 9:30 p.m. It includes, in the \$5.50 charge, transportation, side tours to points of interest, and two or more television shows. Reservations, open to the public, should be made immediately through Mrs. H. W. Lawler (HO 6-6876) or Mrs. E. Flimek (HO 6-8358).

CHIX DIAPERS 2.48 per doz  
Boxed gauze diapers 21"x40" slightly irregular. They're absorbent, quick drying and wrinkle free.

## Two National Honors Given Lemon Grove Man

Dr. Frank Gigliotti, who lives in Lemon Grove at 3785 Riviera Street, reported this week that two honors had been given him that were national in scope.

He was named vice-chairman of the Commission of the National Association of Evangelicals of the United States last week at the group's national convention in Los Angeles. He is a former Presbyterian minister.

Earlier in the month he was elected to a lifetime membership in the Supreme Council of the Order of the DeMolay, a youth organization sponsored by Masons throughout the world.

Dr. Gigliotti said he was named as an "active member" in recog-

nition for work done for Masonry in writing the Freedoms into the Italian Constitution in 1947. He wrote Articles 17, 18 and 19, he said.

There are 175,000 active members of DeMolay throughout the world. Since 1917, when the order was founded, more than three million boys have gone through the organization and not a single one has ever faced a felony charge of delinquency, Gigliotti said. A Lemon Grove Council of DeMolay was founded late last year.

Frank S. Land of Kansas City is secretary-general of the DeMolay organization. Harry S. Truman is a trustee.

## Padres In Portland For Season Start

San Diego's baseball team heads for the Pacific Northwest this week after getting off to a creditable start in its opening home stand of the 1959 Pacific Coast League season.

The Padres help Portland lift the lid on its home season with a day-night doubleheader Friday, hoping to give the Beavers some of their own medicine. Portland beat San Diego twice in day-night openers here.

From Portland the Padres go to Spokane for three days, to Vancouver for two and to Seattle for three days before returning for a day of rest May 12. The following day they begin a three-game series in Phoenix.

The Padres' next home appearance will be May 16 against Phoenix. They'll hit the road again after the May 17 doubleheader.

## Scout News

### GIRL SCOUTS

Lemon Grove Girl Scout Troop 380 left after school Friday for Los Terrenitos on Lyons Valley Road, the new ranch home of Mr. and Mrs. Charles R. Baecht.

Mr. and Mrs. Baecht invited the girls to have a backyard overnight camp there where their home is nearing completion. The girls enjoyed cooking on camp stoves, hiking, campfire singing and games.

Members attending included: Patty Baecht, Susan Brouillette, Virginia DeFrato, Lorraine Dwyer, Connie Evans, Diane Hart, Kathy Jeter, Ann Marie Keithly, Sharon Myles, Claudia Peck, Leslie Southwick, Janet Tilton, and Paula Southwick. Mrs. Carl Brouillette and Mrs. J. F. Southwick, troop leaders, and Mrs. Forrest DeFrato, committee mother, accompanied the girls.

## 'Tall Tales and True'

### To Be Rose Parade Theme This Year

'Tall Tales and True' will be the theme of the 71st annual Tournament of Roses parade on New Year's Day. The theme was chosen at the conclusion of a nationwide contest, Tournament President Raymond A. Dorn announced this week.

The winning suggestion was turned in by Eric E. Swanson, Whittier, California. Swanson and his wife will be honor guests of the Tournament of Roses with seats for the parade, the Rose Bowl game and guest luncheon.

Approximately 7,000 suggestions of parade themes were mailed to the tournament office during the past month. Each of the 63 participants in the parade will build a flower-decked float depicting either a "tall" tale or a true one. A special award is made for the best portrayal of the parade theme.

Swanson is a stock clerk in a Whittier department store.

## Hollywood Highlights

by BOB TURNBULL

I hope you party-givers have the same motto I do. When you throw a party . . . throw it BIG!

That's exactly what entertainment personalities Marianne Gaba (Miss-Illinois), Kenny Miller, Dean Allen and myself did recently.

La Jolla High alumn Jim Fox, who is a special effects man for CBS, was recently drafted. So the four of us got together for a "Last Fling Before the Service" brawl for buddy Jim.

It was in the ex-home of millionaire Doris Duke. The ballroom is as big as a basketball court. The entire affair was catered and three different bands provided Afro-Cuban music, folk ballads and rock and roll. Over 400 members of the younger Hollywood entertainment set showed.

Highlight of the evening was Sal Mineo's surprise drum solo. Jim Mitchum accompanied on the bongos. Sal is preparing to portray the title drummer in the upcoming "Gene Krupa Story."

Also walling were singers Marlene Willis, Rod McKuen, Jimmie Boyd, Jericho Brown, Kenny Miller and John Ashley.

Yours truly had the pleasure of playing co-host to such people as Joan Blackman and Joby Baker, June Blair and Dick Sergeant, Doty Harmony with Lee Anthony, Luciana Pullazzi and Brett Halsey, Troy Donahue and Nan Morris, plus many more couples.

The stag line included Sandra Gile, Julie Reding, Jacqueline Ravell, Adrienne Coffield, La Mesa's Shirley Kaye, Nancy Strebeck and many others.

The male stars included Ray Anthony, Marlon Brando (host), Gary and Lindsey Crosby, Sal and Mike Mineo, Lemon Grove's Dennis Hopper, Ronnie Burns, Nick Adams, Steve Rowland, Dick Sinatra, Tim Considine, Paul Anka, Al Anthony (formerly of KFSD-TV), Lowell Redelings and others.

Needless to say it was "too much."

NOTICE IS HEREBY GIVEN that the Lemon Grove School District, San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock p.m. of the 7th day of May, 1959, sealed bids for the execution of a contract for lease-purchase of a 12-row, 73-passenger Transit Type School Bus.

Such bids shall be received in the office of the Governing Board of said District located at 8025 Lincoln Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, if any, and all other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of said Board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bond in favor of the District, executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than five percent of the maximum amount of the bid. The check or bond shall be given as a guarantee that the bidder shall execute the lease agreement if it be awarded to him in conformity with the Contract Documents.

The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4390 to 4394, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

H. W. BUCKNER, Clerk Governing Board, Lemon Grove School District, San Diego County, California. LG Rev. Apr. 23, 30, 1959

WITNESS my hand and Official Seal. (Seal) /s/ WAYNE V. HOY, Notary public in and for said County and State. LG Rev. Apr. 24, 30, May 7, 14

## Governor To Offer Expanded Program On Workmen's Benefits

Governor Edmund G. Brown this week announced his support of proposals for increased workmen's compensation and unemployment and disability insurance benefits.

The governor said he has discussed the proposals with members of both the Assembly and Senate and that they "seem to meet with the general approval of those consulted."

"I think they may safely be characterized as offering the greatest advances in this area in recent California history," Governor Brown said.

He noted that he urged improvements in the state's social insurance program in his inaugural message January 5.

"I called for an increased sense of responsibility to the elderly, the sick, the needy, the injured and the unemployed," he said. "I noted that no family could possibly meet its basic needs on the present maximum benefits in our social insurance programs."

Since the inaugural message, Governor Brown said, the administration has studied the problem closely with leaders of labor and industry and legislators who are experts in the field.

**BENEFIT RAISE ASKED** Some of the proposals already are before the Legislature. Others are still to be introduced.

Under them, maximum weekly unemployment insurance benefits would be increased from \$40 to \$55. The amount an unemployed person could earn in any one week and still be eligible for benefits would be raised from \$3 to \$12.

To finance the increase, the base salary on which employers would be required to make contributions to the unemployment fund would be raised from \$3,000 to \$3,600 a year.

In addition, the merit rating system, under which some employers with low personnel turnover have made no contributions at all, would be changed so that no employer would pay less than three-tenths of one percent.

**39-WEEK MAXIMUM ASKED** Still another proposal would extend the maximum period for extended benefits from 26 to 39 weeks, receiving unemployment insurance benefits from 26 to 39 weeks, whenever statewide unemployment passes six percent of the labor force.

This proposal would be financed by increasing the employers' contribution one-fourth of one percent.

Governor Brown also announced his support of a proposal to increase maximum temporary workmen's compensation benefits from \$50 to \$65 a week and maximum permanent benefits from \$40 to \$52.50 a week.

These benefits are paid for on-the-job injuries or illness.

In addition, the workmen's compensation burial benefit would be increased from \$400 to \$600.

Death benefits to a widow with one or more dependents would be raised from \$15,000 to \$20,500, to a widow alone from \$12,000 to \$17,500 and to a partial dependent from \$12,000 to \$15,000.

Maximum disability unemployment compensation—paid for off-the-job injury or illness—would be raised from \$50 to \$65 a week.

**'BREAD, BUTTER' APPROACH** "These increases are dramatic, but I assure you that they are by no means over-generous," Governor Brown said.

None of the increased benefits would be paid from the general fund.

Employers would make increased contributions to finance the unemployment insurance and workmen's compensation increases. No increase in employee contributions would be required to finance the higher unemployment disability benefits.

"These proposals do not represent the top levels requested by labor this year," Governor Brown said, "but I regard them as a good 'bread and butter' approach to our social insurance problems."

"They are among the high priority items in my legislative program," he said. "I hope the Legislature will approve them and I have good reason to believe that it will."

## Grove Man In Army Arizona Field Practice

FORT HUACHUCA, ARIZ. (SPCL)—Army Specialist Four Stanley J. Damberger, 25, son of Mr. and Mrs. Joseph M. Damberger, 2720 Olive Street, Lemon Grove, is participating with the 505th Signal Group in "Exercise Sand Burr" at Fort Huachuca, Arizona.

The ten-week operation is designed to determine the capabilities and limitations of a field communications center.

Damberger, a classification and assignment specialist in the group's headquarters detachment, entered the Army in August, 1957.

He is a 1950 graduate of St. Anthony's High School, Santa Barbara, and a 1955 graduate of San Luis Rey College.

Resolution of Intention to Dedicate to the San Diego Gas & Electric Company an Easement for an Electric Pole Line Over, Along and Across Property Owned by the Grossmont Union High School District . . .

On motion of Member Freeman, seconded by Member Hall, the following resolution is adopted:

WHEREAS, the San Diego Gas & Electric Company has offered to securing an easement for an electric pole line over, along and across certain real property owned by the Grossmont Union High School District of San Diego County, California, and hereinafter described;

WHEREAS, said Gas & Electric Company has requested this Board to dedicate said easement to said Gas & Electric Company; and

WHEREAS, in the judgement of this Board public convenience makes it expedient that said request be granted;

NOW, THEREFORE, the Governing Board of the Grossmont Union High School District of San Diego County, California, hereby resolves that it is the intention of this Board to dedicate to the San Diego Gas & Electric Company an easement for an electric pole line over, along and across the following described real property in the County of San Diego, State of California, said easement to be over, along and across those certain portions of Lot 107 and the Timber Reserve of El Cajon Valley Company's Lands, according to Map thereof No. 289, filed in the office of the Recorder of said County of San Diego, described in Deeds recorded in Book 7259, page 376 and Book 7137, page 332 Official Records of said County of San Diego, and the route of said easement being more particularly described as follows:

Beginning at a point on the Northern line of Lot 45 of said El Cajon Valley Company's Lands distant thereon North 80° 47' 50" East, 105.58 feet from the Northwest corner thereof, thence from said point of beginning North 14° 46' 10" East, 148.33 feet to a point hereinafter known as Point "A"; thence North 38° 58' 10" East, 275.5 feet to a point hereinafter known as Point "B"; thence North 47° 34' 40" East, 389.90 feet to a point hereinafter known as Point "C"; thence North 44° 09' 10" East, 395.56 feet; thence North 57° 07' 10" West, 38.55 feet.

Also: Beginning at said point of beginning; thence South 14° 46' 10" West, 148.67 feet to a point hereinafter known as Point "D".

Also: Necessary anchorage to be installed within those certain 4.0 foot strips of land, being 2.0 feet on each side of the following described center lines:

## THE SENATOR'S VIEW

BY HUGO FISHER  
California State Senator

If all goes well, San Diego will soon have a branch office of the Division of Corporations. A special appropriation has been requested in order that the branch might be set up. In all probability, the office will be established in the new State Building.

The Division of Corporations was set up to administer laws for the protection of the investing public. The division administers the personal property brokers, California small loan, industrial loan and credit union laws. The division issues permits and licenses designed to regulate the issuance, sale and resale of securities in the State of California. The San Diego office will have 8 to 10 members on the staff. There would be one deputy, several auditors, and a number of clerks. John G. Sobieski is the present commissioner of the Division of Corporations. He was appointed by Governor Brown.

### 500 APPOINTMENTS

One of the responsibilities and pressures under which a governor operates is the appointing of more than 500 individuals to various positions, statutory or otherwise. These may range from the Director of the Department of Corrections to a member of the Board of Barber Examiners. All these appointments do not have to be made at one time. Most of them are for terms specified by law and vacancies occur intermittently. A vacancy might occur due to a death, or a resignation, or because the appointee might have been asked to resign. The appointing powers in the past have overlooked San Diego somewhat, but a number of us are interested in having San Diego represented on the boards and commissions.

We have made recommendations to the governor and many of our requests for recommendations have been honored. It is important for a region such as San Diego to be represented because in many cases the boards or commissions make policy and decisions which directly affect the businesses in our community. Some commissions provide service for the businesses they represent. San Diego area interests are more likely to be given careful consideration if a San Diego man familiar with the problems peculiar to San Diego County is sitting on the board.

### IMPORTANT APPOINTMENTS

The governor has made several outstanding appointments in San Diego County thus far. Herbert W. Rubottom has been reappointed to the Apprenticeship Council and Charles W. Patrick has been appointed to that body. William Moeser, prominent civic leader and San Diego County businessman, has been appointed to the board of the Metropolitan State Hospital in Norwalk.

Labor executive Morrie Collins represents San Diego on the Shipbuilding Commission to promote the shipbuilding industry in California. Dr. Don Brownell, grandson of D. D. Palmer, the discoverer of chiropractic, has been appointed to the State Board of Chiropractic Examiners. J. A. Donnelly, San Diego attorney, has been appointed to the Board of Pilot Commissioners, Harbor of San Diego.

Roger S. Woolley, first vice president of the San Diego Highway Development Association and prominent young attorney from Rancho Santa Fe, was appointed to the State Highway Commission.

Harry Farb, San Diego businessman, was appointed to the Fair Board. Recommendations have been made for appointment of several San Diegans to such things as the State Board of Dry Cleaners, the State Board of Registration for Civil and Professional Engineers, and the State Board of Barber Examiners.

**LA MESAN APPOINTED**  
Dr. Martin B. Ridge has been appointed to the seven-man State Historic Landmarks Committee. Merle Parke, owner of the Sun Harbor Marina Boat Company, has been asked to work on the Yacht and Ship Brokers Commission.

Thomas W. Braden, publisher of the Oceanside Daily Blade Tribune, has been appointed to the State Board of Education. Dr. Herbert Lints, an outstanding physician in Escondido, is serving on the State Board of Health.

Most of the governor's appointments, of course, are Democrats, but several are Republican. This is the case of William H. Jennings, prominent attorney who was appointed to the State Water Commission. Jennings, who lives in La Mesa, was originally appointed by Governor Knight and

## Artists Concert Set Sunday

CONCERT REHEARSAL—Members of the musical group which will perform May 5 at the Local Artists Concert in Grossmont High School auditorium are shown in rehearsal for the free event sponsored by the Women's Committee of the Grossmont Community Concert Association.

Lawrence K. Christianson, instrumental music teacher at Mt. Miguel High School, will be among the musicians presented in the second annual Local Artists concert Sunday at 8 p.m. The concert will be presented by the Women's Committee of the Grossmont Community Concert Association in the Grossmont High School auditorium. The public is invited with no admission charge.

Other musicians to be presented include: Novada Smedley, soprano; the Blatz Vocal Octet; and the San Diego Woodwind Quintet of which Christianson is a member. The artists were selected in competition from applicants throughout San Diego County.

The Woodwind Quintet is made up of: Frederick Baker, flute; Floyd Grant, oboe; Esther Popejoy, bassoon; Christianson, French horn; and Daniel Magnusson, clarinet. All performers are members of the San Diego Symphony and Starlight Opera Orchestra.

Mrs. Gilbert Harelsen, president of the Women's Committee, states that "one of the aims of our group is to enrich our communities by promoting greater interest and appreciation of music and to provide opportunities for artists to appear in concert."

was reappointed by Governor Brown.

### PAY IS SMALL

Rarely are members of boards and commissions compensated for the time and work they give to the state. Clinton McKinnon, publisher, and Sol Price, San Diego attorney and businessman, serve on an Economic Advisory Panel which does not pay transportation costs to Sacramento. Some commission members receive transportation and actual expenses and others receive different amounts ranging from \$20 a day to \$50 a day. They receive the pay, of course, only for the two or three days each month the board meets.

There are several San Diegans serving with groups appointed by previous governors. When their term expires, the governor must consider whether to reappoint them or choose another person.

I have been impressed by the caliber of men chosen by the governor to serve, particularly those from San Diego. More and more the governor and the legislators are coming to realize the importance of San Diego and this is indicated by the branches opening in San Diego and the increased number of appointments made.

☆ Watch out for unethical contractors and building "experts" who will use many new and old schemes to mislead the public. The San Diego Better Business Bureau advises you to be sure that you know your contractor before signing a contract and closing a deal.

**A CLASSIFIED AD COSTS ONLY 30c Per Line**  
HO 9-0101

association. Lawrence Christianson, instrumental music teacher at Mt. Miguel High School, second from right, plays the French horn with the group. Shown, left to right, are Frederick Baker, Floyd Grant, Esther Popejoy, Christianson, and Daniel Magnusson.

## Square Dance News . . .

### HUFF 'N' PUFFERS

The annual "Country Fair" dance of the Huff 'N' Puffers will be held Friday of this week at the Spring Valley Chamber of Commerce. The club extends a cordial welcome to all square dancers. There will be lots of dancing, fun and refreshments.

Frank Dyson was club caller when the club held its April 17 dance. Hosts and hostesses were "Army" and Lucy Armstrong and Ralph and Willie Mae Sowers.

New members introduced were Jim and Alice Mathison and Larry and Edna Turner. The guest list included Pat and Imogene Patterson, Heartland "Couple of the Month."

### FRONTIER SQUARES

Frontier Squares brought their last dance for April to a happy end with sarongs, grass skirts, muu muus and prizes galore. If you missed this one, and you have a hankerin' to wear a costume, the Squares' party night for May will be "Sadie Hawkins." There will be a prize for the best pa and ma, dressed dog-patch style.

The round dance and advanced square dance class held every Tuesday at the La Mesa Dale School is coming along fine. At least a few more round dancers will be added to the floor for more dances.

### COUNTRY COUSINS

Last week a number of Country Cousins visited the Legion Squares at their first anniversary dance in Compton, California. The caller, Marvin Yates, was formerly with the Country Cousins. He now resides in Los Angeles. One of the guest callers of the evening was Country Cousin Jim Eppick.

Dancing as usual May 2 at the La Mesa Junior High School with George Vagtborg calling.

### CIRCLE EIGHT

Nationally known caller Bob Puff of Whittier, California, provided the calling Friday for over 200 dancers at the Circle Eight dance. Circle Eight regular caller Al Schaeffer was able to dance all evening, for a change.

Heartland Couple of the Month Pat and Imogene Patterson visited the dance and were feted. Pie and ice cream were served during the evening.

## LG Music Groups 'Outstanding' In NC Band Review

"Outstanding" was the word for Lemon Grove music groups at the annual Maytime Band Review Saturday in National City. Each of Lemon Grove Junior High School's three marching units won a place in the judging, with the Lemon Grove band placing second in its class. The class "B" group included the best marching bands, at junior high level, in Southern California and Arizona.

Lemon Grove's marching unit, under the direction of Harry Weisgerber, won their second place honor by an outstanding effort against other junior highs which included ninth graders, Lemon Grove's band is made up of students through the eighth grade only.

Darlene Anderson, daughter of Mr. and Mrs. Max Anderson, 2814 Massachusetts Avenue, won second place in the junior high twirling drum majorette classification. The junior high's majorette team also won second place honors. The pom pon corps won first place in junior high competition. Miss Joan Maus, first year teacher, directed both groups in her initial try at section-wide competition.

All Lemon Grove groups were classed as "outstanding" by the All-American Judges Association.

☆ Slenderizing and figure control studios sometimes advertise special offers which are misleading. Before signing up for any special membership offers, better check first with the San Diego Better Business Bureau in the Spreckles Building.

## God's Minute

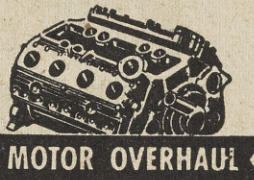

### "FRUIT"

One day the Lord is going to inspect our lives to see whether or not we have used our time, abilities and resources for His Kingdom. We will have to give account for our lives. This is the day to invest in His Kingdom. The auditor might appear before evening.

## Crack-Down Seen On Bumper Riders

San Diego's law enforcement agencies have united in a crack-down against one of the highway's biggest pests—the bumper rider. Accidents involving drivers who were following too closely have become all too common and the crack-down is intended to make drivers drop back.

"We're not sure what causes a driver to follow too closely," Sam Hartman, president of the San Diego County Traffic Safety Council, said. "Whether it's hurry, inconsiderateness, or a misplaced togetherness complex that makes an otherwise good driver a bumper rider just isn't known. What is known though, is that this practice leads to a great deal of property damage and bodily injury."

At least one car length behind for each 10 miles of speed is a good rule to follow. Anything less is cutting down your chances in case you have to stop quickly. Hartman warned San Diego motorists. At 40 mph your car will travel 44 feet before your foot even hits the brake. After that it will take at least another 84 feet for your car to stop. By allowing four average car lengths, or about 80 feet, your car will be able to stop in time. Without this safety margin there would be an accident.

## High Beams May Cause Numerous Traffic Accidents

Illegal use of automobile lights may be a greater factor in traffic accidents than the records show, believes Captain R. Gautsche, commander of the San Diego area for the California Highway Patrol.

"I have long been of the opinion that eye fatigue and momentary blindness caused by the bright lights of other vehicles contribute to many accidents although they are not the principal cause," Gautsche said. "At the very best, illegally used lights cause irritations that must have some psychological effect upon the motorist."

## Mt. Miguel High School Gets Traveling Science Library

Math-science students at Mt. Miguel High School will be chief beneficiaries of the award of one year of the American Association for the Advancement of Science Traveling Science Library.

M. C. Grant, school principal, said Mt. Miguel was one of 1,700 schools included in the program.

The collection of books remains at the school for one year, then is moved to another school. The books will be placed in the school library and charged out in the same manner that regular li-

brary instructional materials are handled.

Elementary schools which have special programs for gifted children may also participate in the Traveling Science Library program.

☆ Lt. Presley N. O'Bannon with six Marines, some Greeks and Arabs, passed through a shower of enemy musketry and took possession of the enemy's batteries in the capture of Derne, Tripoli on April 27, 1805.

LEMON GROVE, CALIFORNIA

THURSDAY, APRIL 30, 1959

Twenty Pages

## LG Value Days Are Here Again

Value Days are being observed in Lemon Grove again this week.

On these days, Thursday, Friday and Saturday, local business firms are offering merchandise at specially marked-down prices.

Practically every line of wanted merchandise is represented among the list of advertisers in this section. The promotion is under the sponsorship of the Boosters Club. This club is the merchants division of the Lemon Grove Chamber of Commerce.

Purpose of the promotion is to illustrate to residents within the Lemon Grove trading area the variety, quality and low prices available here, according to Earl Nelson, Boosters Club president.

Plentiful free parking adjacent the store you want to shop in is another feature.

Two events are planned for the week-end that will add further excitement to the event. One is the final drawing for the Appreciation Days event. There is approximately \$1000 still in the giant jackpot. The event will be held at the rear of Dial Drug Store at 7 p.m.

Immediately following it, the Chamber of Commerce Las Vegas Holiday for Two competition will be held. The couple who will go to Las Vegas with all expenses paid will be announced at that time.

During these two events the Mt. Miguel High School band will provide music.

According to Nelson, Lemon Grove Value Days is designed to prove that it is not necessary for residents of this community to go elsewhere to obtain merchandise values. Additionally, he said, shopping at home is fun!

### Marilyn Sima Chosen Miss LG

MISS LEMON GROVE—Pretty Marilyn Sima, 18, of 7655 Central Avenue, Lemon Grove, will represent this community as Miss Lemon Grove for the year 1959-60.

She was named queen over a comely group of contestants as the Junior Chamber of Commerce has ever gotten together in this annual event.

Queen Marilyn is a secretary in the trust department of the First National Bank in San Diego. She graduated in June from Mt. Miguel High School where she was a football princess, a song leader and assistant ASB commissioner.

## YOU LIVE IN A HARD WATER AREA!

- The "ring" in your bathtub is caused by hard water soap curd. With soft water, no curd can form. All porcelain surfaces stay gleaming white.
- Hard water wastes money. Look! Soft water saves 50% on soaps and detergents; 24% on water heating costs; 25% on coffee . . . and gives up to 33% more wear from clothes!

**Hard water actually costs  
you over \$100<sup>00</sup> a year!**

### NO OBLIGATION!

Let our courteous route manager visit your home and show you how simple and how inexpensive it is to have soft water for your family to enjoy.

Call today and let us make an appointment.

## FREE HEALTH-FUL FOOD SAMPLES DURING VALUE DAYS

### LEG CRAMPS?

One of the most common causes of painful muscle cramps in legs, feet, toes, arms and hands is a prolonged deficiency of calcium. So says a famous doctor and widely-read newspaper columnist, formerly with the Mayo Clinic, and other well-known health authorities.

When meals, consistently deficient in calcium, are fortified with DYNA-CAL Calcium Tablets, tormenting calcium-deficient muscle cramps can be promptly relieved. But don't confuse DYNA-CAL Tablets with ordinary calcium-phosphorus products. DYNA-CAL Tablets contain no phosphorus which frequently interferes with the absorption of calcium. And DYNA-CAL Tablets contain a special ingredient which helps to put calcium into the blood stream quicker — bringing faster relief to cramping, calcium-starved muscles. Pleasant-to-take DYNA-CAL Tablets with calcium, betaine hydrochloride, and vitamins D and C contain no drugs. They are safe, harmless, calcium food supplements. If you are suffering miserable muscle cramps, and suspect you are not getting enough calcium, ask for DYNA-CAL Tablets, today. Bottles of 90 tablets, \$1.50.

\*Other causes for muscle cramps are entirely unrelated to calcium deficiency.

Be sure to get your Free Samples of assorted tasty nutritional foods. Your opportunity to enjoy Diet Bread, Whole Grains & Cereals, Diet Candies, Vitamin-Mineral Supplements, Nutritional skin beautifiers and many others. Get yours while they last.

*We cordially invite you to attend a personal demonstration of Wey-Rite nutritional health and weight control. The safe way to reduce. Friday and Saturday, May 1-2, be convinced.*

## COLOR-TONE SHAMPOOS

Giant 250 size now **1.50** plus tax limited time only

Leave it to Helena Rubinstein to create a beauty-treatment way of keeping your hair immaculate, healthily conditioned and alive with color! Color-Tone is the only shampoo that washes color in—not a dye but certified temporary color that does magnetic young things to your own hair shade.

Right now you can choose the "custom" tone for you at a big dollar savings. Each

jumbo 14 ounce bottle gives you 4 to 6 months of beautiful shampooing. RED-HEAD adds flame to red hair or "borderline" colors. BLONDE-TONE illuminates blonde or light brown hair with gold. BRUNETTE-TONE adds jet lights and warm shimmer. BROWN-GLOW washes red-gold into "plain" brown hair. SILVER-TONE silvers grey or platinum, corrects yellow. And for dry, damaged hair, SILK-SHEEN CREAM SHAMPOO.

## Water District Asks City Of San Diego For Guarantee Against Loss In Blasting

A sewer line and storm drain in San Carlos, the new Tavares subdivision near Lake Murray, has been the subject of recent negotiation between the Helix Irrigation District and the City of San Diego. Plans for the subdivision call for the installation of a sewer and storm drain within approximately 20 ft. of the abutment of Murray Dam. As the terrain around the north side of the dam is primarily rock, the subdividers planned to blast the trench for the installation with dynamite.

When the City of San Diego contacted the irrigation district to

secure a grant of easement for the sewer and drain the Directors of the Helix District requested "hold harmless" agreement as protection against any damage done to the dam as a result of the construction. The District has stipulated that the easement cannot be granted without this protection as considerable property damage could result if the dam was weakened by the construction.

Installation of the sewer line and storm drain has been discontinued until the City and the District reach an agreement on the terms of the grant of easement.

## LOCAL ENTRANTS WANTED FOR FIESTA CONTESTS

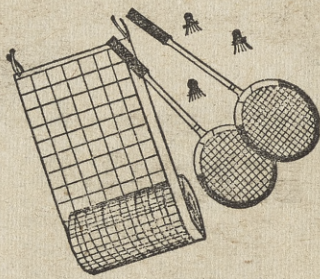

Two Fiesta del Pacifico contests are gaining momentum as Fiesta officials seek a queen to reign over the Fiesta and a boy and girl singer to appear at Fiesta events this summer and Lemon Grove residents are invited to compete.

Several entries have been received in the contest for singers between 18 and 22 who desire to try out for the vocal spots with the Fiesta Dance Band. In addition to appearing at formal Fiesta occasions, the winners also will be headlined at street dances

which will be held throughout San Diego County. The winning vocalists will be chosen early in July.

Chambers of Commerce, other civic and fraternal organizations and business firms are preparing to sponsor candidates in the competition for the title of La Reina de la Fiesta del Pacifico. Girls must be single, between the ages of 18 and 25, have graduated from high school by July 1 of this year, and must reside in San Diego County or Baja California.

## Dates Set For Santa Sophia 'Fiestaval' In CdO

Lemon Grove area residents are invited to participate in the first annual Santa Sophia "Fiestaval" to be held May 16 and 17 at the Santa Sophia Catholic Church on Campo Road in Casa de Oro.

There will be many booths. Some are the country store, white elephant, dolls, ham and bacon, cake, and ice cream cones.

\$1,400 in cash prizes will be awarded. General chairman of the affair is John Gil. Finance chairmen are George Shaw and Herbert Weisman.

## YEAR'S SUPPLY OF FROZEN FOOD IS CONTEST PRIZE

A full year's supply of frozen food will be given to some lucky county shopper for completing a sentence of 25 words or less on an entry blank available at all grocery stores.

The sentence starts: "My family enjoys frozen foods because . . ."

The contest is offered to publicize Frozen Foods Week which will be marked at all grocery stores and markets throughout the county.

The month of May has been designated as Maytime Is Frozen Food Saving Time by the San Diego Frozen Food Council. The council is sponsoring the contest.

## Drivers Warned 65 MPH Limit Not Yet Law,

"The new 65 mile an hour speed limit will not become effective until next January 1st," R. Gautsche, Captain, commander of the California Highway Patrol's San Diego area, reported this week.

"Our officers already are reporting they have stopped motorists for speeding only to have the motorists protest that they were not exceeding the new 65 mile an hour limit," Captain Gautsche said. "They even act offended when the officers explain that the new law is not yet in effect and won't be until the first of next year."

The local CHP commander said the Patrol approves the new law because of the favorable effect it is expected to have in regard to traffic law enforcement and highway safety.

## Jackpot Tickets Here

WINNER TAKE ALL—Western Airline hostess Peg Doris turns over to Jim Spears of the Lemon Grove Chamber of Commerce the flight tickets for two people.

Tickets are part of a giant jackpot of prizes to be given as part of Lemon Grove Value Days to some Lucky Lemon Grove Shopper in the all expenses paid Las Vegas Holiday For Two contest.

Among the gifts to be awarded are \$300 in spending money and a two day stay at Wilbur Clark's Desert Inn Hotel. Additionally, there will be 13 major gifts given by local merchants.

## Labor Pool Survey Being Conducted By C of C

Now they are bringing the factory to the workers!

An established clothing manufacturer, presently operating in San Diego, plans to shift the plant to one of the outlying communities.

Under consideration are the communities of Lemon Grove, Spring Valley, El Cajon, La Mesa and National City.

The factory will employ approximately 200 people, primarily women power-sewing machine operators. However, if enough interest from non-experienced persons is indicated, they will be trained.

To help bring the factory to this general area, local chambers of commerce are sponsoring the survey.

Persons interested may fill in the attached coupon and mail it

to the local Chamber of Commerce.

The coupon is not an application for employment. It is intended only to determine the area where the best labor potential exists.

The coupon may be mailed to this newspaper or to the Lemon Grove Chamber of Commerce, 7350 Broadway in Lemon Grove, or The Spring Valley Chamber of Commerce, 9914 Campo Road, Spring Valley.

☆ For a helpful 16-page booklet, "Facts You Should Know About Accident and Health Insurance," contact your San Diego Better Business Bureau in the Spreckles Building, enclosing 15 cents to cover printing and mailing. It may save you money and headaches.
